Subject: proposed PN IV changes

To whom it may concern,

My name is Cassandre Conti an active LPN, currently working at UPMC St. Margaret. I am writing to express my support for the proposed PN IV changes. I feel that to be able to perform the tasks proposed, I would be able to function as a more independent LPN. It would also improve the continuity of care for the patient and improve patient satisfaction.

Thank you,

Cassandre Conti, LPN
