To whom it may concern,

I vote NO on no.2843 state board of massage therapy #16A-721: massage therapy

Excluding the word "therapeutic" restricts the scope of practice for massage therapists. We currently have the ability to relieve pain and help people live healthier, more productive and happier lives because of this. The changes proposed in the October 2010 meeting of the IRRC are NOT acceptable. Massage is therapeutic by nature.

Please vote down the current legislation NO. 2843 STATE BOARD OF MASSAGE THERAPY #16A-721:
MASSAGE THERAPY

Thank You,
Valerie Rozkuszka, CMT
