Regulation No. 12-74 (#2846)
Department of Labor and Industry
Unemployment Compensation; Employee
Provisions

On May 10, 2010, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of Labor and Industry (Department). This rulemaking amends 34 Pa. Code Chapter 65. The proposed regulation was published in the May 22, 2010 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on November 9, 2010.

This rulemaking updates the Department's existing regulations, pertaining to employee provisions for unemployment compensation, to conform to current law and practice.

We have determined this regulation is consistent with the statutory authority of the Department (43 P.S. § 761(a)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:
