Dear Environmental Quality Board,

I am an artist living in Pennsylvania. I am concerned about regulations protecting the land and water of our wonderful state, with the gas drilling that is going on all around us.

My cabin is on top a mountain on Mountain Road in English Center.

My address is

***495 Mountain Lane
Trout Run, PA 17771***

Since 1960 my family and I have enjoyed the beauty of Pine Creek Valley. Please continue to protect our land.

There are many clear streams with wild trout, and we want to keep it that way.

Please include the language proposed by the Harvey Consulting report in the new Chapter 78 regulations.

Sincerely,

Lauren Litwa Holden
