In making your decisions re. the modifications to the Chapter 78 Regulations pls. be sure to include the language proposed by the Harvey Consulting report in the new Chapter 78 regulations. Protecting our well (drinking ) water has to be a great responsibility on our government. There are gas wells going up all around us, including one on our farm. These regulations should have been updated long ago. Thank you for hearing our concerns. Rich and J. Dawn Bowers, 169 Pony Hill Road, Millerton, PA 16936. Ph. 570-537-2355.
