Subject: Proposed Chapter 118a - Property and Casualty Actuarial Opinion

RECEIVED
IRRC

2010 SEP 28 P 1:13

Peter:

Once again, a less formal submission than what you usually get from us.

But again, much shorter: We and our national counterparts support the Insurance Department's proposed regulation establishing Chapter 118a, and we recommend prompt promulgation. The proposal and the explanation are well-done and important safeguards for monitoring and evaluating the financial condition of insurers.

Sincerely,

Sam Marshall
