Mr. Tom Callaghan -

We are a small mining operation that takes anywhere from 1500-4000T a year out of our family owned gravel pit for our business use only. We do not sell it to customers. We find that these fees are extremely high for the volume we produce. We would like you to reconsider the proposed fees for smaller businesses like Beute & Bliley, Inc.

Thank you for taking the time to read this.

Sincerely,

Cheryl Borges for Daniel Bliley(President)
