**Subject:** Fee Schedule for Noncoal permits

I am writing in reference to the letter from DEP concerning the proposed changed to 25 Pa. Code Chapter 77. It is my opinion that what this does to me, as a small business owner, is to make us not want to comply with the law as the fees make it impossible to be able to pay. This is slowly driving the small businesses out of business. I hope you will take this into consideration in making your decisions.

Sincerely,

William A. Guiste
