2010 NOV 17 P 1:33

Hello,

Can you please identify all those in nursing homes in the age ranges of 0-20, 21-59, and 60+ with a traumatic or non-traumatic brain injury and provide information on an individual Olmstead planning process that assures the brain injury rehabilitation needed to prepare these individuals for participation in community services under the Independence or CommCare Waivers?

Thank you,

Barbara A. Dively, Executive Director  
Acquired Brain Injury Network of Pennsylvania  
800-516-8052, 215-699-2139
