Re: Final Rulemaking Order (Regulation ID No. 126-1; IRRC No 2885)
Philadelphia Taxicab and Limousine Regulations

Dear Chairman Lutkewitte:

I have had the opportunity to work closely with the Philadelphia Parking Authority over the years on a number of matters. I have always been impressed with the abilities of those who work for the Authority and with their ability to carefully plan and implement policies and regulations.

With this, it is my hope that the regulations implemented in the final form will be in the best interest of the regulated parties as well as for residents, businesses and tourists in Philadelphia.

The security of Philadelphia's ridership should not be jeopardized and safety standards must be continued to protect our people.

Sincerely,

A handwritten signature in cursive script that reads "Louise Williams Bishop".
