RE: Depart of Health – Emergency Medical Services System

Regulation Number: #10-190 (IRRC #2917)

Date of Hearing: Thursday, August 22, 2013

My name is Jack Lasky EMT-P. I have been involved with EMS since becoming an EMT in 1974, then in 1979 a Paramedic. I have been the Coordination of an ALS Unit for 20 years and now work as the EMS Coordinator for Geisinger Northeast. I am currently the First Vice-President of Emergency Medical Services of Northeast PA.

I believe that this bill represents a consensus of the EMS community in PA. Any changes made to this bill will only delay the long overdue Act 37. Please do not request changes to the regulations in your comments for Department of Health – Emergency Medical Services System, Regulation Number: #10-190 (IRRC #2917), Date of Hearing: Thursday, August 22, 2013.

Thank you,

Jack Lasky
