Regulation No. 10-190 (#2917)
Department of Health
Emergency Medical Services System

On October 11, 2011, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of Health (Department). This rulemaking deletes 28 Pa. Code Chapters 1001 to 1015 and adds Chapters 1021 to 1033. The proposed regulation was published in the October 29, 2011 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on July 16, 2013.

This regulation implements Act 37 of 2009, known as the Emergency Medical Services System Act.

We have determined this regulation is consistent with the statutory authority of the Department (35 Pa.C.S.A. § 8105(b)(11)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.
