Regulation No. 18-426 (#2918)  
Department of Transportation  
Intrastate Motor Carrier Safety Requirements

On October 21, 2011, the Independent Regulatory Review Commission (Commission) received this regulation from the Department of Transportation (Department). This rulemaking amends 67 Pa. Code Chapter 231. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This regulation amends the Intrastate Motor Carrier Safety Requirements in order to extend the hours of operation for various types of snow removal.

We have determined this regulation is consistent with the statutory authority of the Department (75 Pa.C.S.A. §§ 4704(d) and 6103) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.
