Regulation No. 57-288 (#2938)
Pennsylvania Public Utility Commission
Licensing Requirements for Natural Gas
Suppliers

On April 3, 2012, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Pennsylvania Public Utility Commission (PUC). This rulemaking amends 52 Pa. Code §§ 62.101, 62.102 and 62.110. The proposed regulation was published in the April 14, 2012 *Pennsylvania Bulletin* with a 60-day public comment period. The final-form regulation was submitted to the Commission on March 12, 2014.

This regulation amends licensing requirements for natural gas suppliers to establish clear procedures regarding the entities that must be licensed in order to sell or arrange the sale of natural gas.

We have determined this regulation is consistent with the statutory authority of the PUC (66 Pa.C.S. § 501) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

John F. Mizner, Esq., Chairman
