Subject: RE: PA Department of Labor and Industry Proposed Regulation #12-96 (IRRC#2939): "Unemployment Compensation: Active Search for Work"

Michaele: We have reviewed the proposed regulation #12-96 (IRRC #2939) pertaining to Unemployment Compensation: Active Search for Work, and have concluded that the changes do not have a direct impact on local government. If our reading of the regulations is correct it places requirements on claimant's to register with the Pennsylvania Careerlink system or be ineligible for benefits. In our opinion the cost associated with this change would be minimal if any to a municipality. We see no problem with this regulation.
