Regulation No. 7-472 (#2947)
Environmental Quality Board
Portable Fuel Containers; Repeal

On May 21, 2012, the Independent Regulatory Review Commission received this regulation from the Environmental Quality Board (EQB). This rulemaking repeals 25 Pa. Code §§ 130.101—130.108. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This final-omitted regulation deletes a subchapter relating to the emissions of volatile organic compounds from portable fuel containers that has been superseded by a more stringent federal requirement.

We have determined this regulation is consistent with the statutory authority of the EQB (35 P.S. § 4005) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

Silvan B. Lutkewitte, III, Chairman
