I CARE AND I DO NOT WANT THESE METERS ON MY BLOCK OR ANYWHERE I

As a member of two community betterment Associations, Old Allentown Preservatio
Fairgrounds Neighborhood Association.

And the owner of a house outside of these historic districts I am appalled by the new
their invasive character.

My home is basically on the sidewalk two and a half to three feet from the street. T
meters, let alone the unsightliness of them.

I am so tired of the utilities maring the appearance of my home in any way they wish
next to the entrance, Natural gas has a smaller one which is thankfully below the si
would ruin any sight-line. And all at a time when Allentown is striving to make things
cleaner.

These ugly, monstrous things turn a neighborhood into a slum. With no visual enjoy
care and so they litter and spray paint and do damage, because they think no one el
they..
