Regulation No. 12-91 (#2957)
Department of Labor and Industry
Prohibition of Excessive Overtime in Health
Care Act Regulations

On June 26, 2012, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of Labor and Industry (Department). This rulemaking amends 34 Pa. Code by adding Chapter 225. The proposed regulation was published in the July 14, 2012 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on January 16, 2014. At its February 27, 2014 public meeting, the Commission voted to disapprove the final-form regulation. On April 28, 2014, the Department submitted its report containing the revised final-form regulation to the Commission.

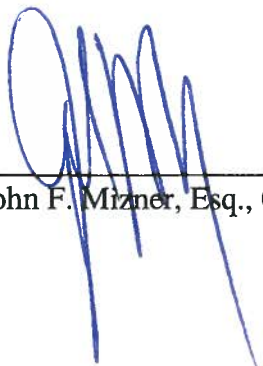

This regulation establishes complaint and investigation procedures as well as administrative penalty provisions related to violations of the Prohibition of Excessive Overtime in Health Care Act of 2008 (43 P.S. §§ 932.1 – 932.6).

We have determined this regulation is consistent with the statutory authority of the Department (43 P.S. § 932.5) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

John F. Mizner, Esq., Chairman
