Subject: MMA Proposed rules change

Dear IRRC:

I am an avid supporter of mma and I urge you to pass the proposed rules change. It will not only be safer to allow our young fighters to fight locally instead of everyone making the king drive to Ohio for events. This will also allow the revenue that Ohio is currently generating by having more mma events than any other state, the rules are changed we are able to have these events stay in pa, where the revenue and jobs are badly needed. Also this sport is a growing and very exciting sport where kids learn leadership, team work, and great sportsman ship. no one picked last, because everyone is theyre own in this sport. everyone is there for each other and it's beautiful.

Thank you for your consideration.
