Subject: MMA Rules Change

2013 MAR -1 AM 9: 07

Dear IRRC:

I am an avid supporter of MMA and I urge you to pass the proposed rules change. As you are aware our State Budget has been seriously depleted over the course of the last several years. Changing the rules will keep our fighters here in PA thus helping to stimulate local economy through venue rentals, ticket sales, food, medical personnel, and all the other vendors that help make a MMA event what it is. With the unacceptable current rate of unemployment in our state, MMA events will help create and also strengthen existing jobs. T-Shirt producers, equipment re-salers, printers, advertising media, are all used in putting on an MMA event. In addition it will be safer to allow our young fighters to fight locally instead of everyone having to make the long drive to Ohio. Thank you for your consideration.

Respectfully,

Colleen Berg – President
