Subject: MMA Rules In PA

2013 MAR -1 AM 9:07

As a big supporter of MMA, I urge you to consider the proposed rule change. I have attended a dozen fights (primarily in OH), and I believe it is in the best interests of the athlete and our state. If there is a body of medical evidence that demonstrates the safety of PA rules when compared to OH, I would like to see it. From my amateur perspective, I do not see the safety advantage.

Thank you for your consideration.
