Subject: Mma rule change

2013 MAR -7 AM 8:46

Dear IRRC,

I am an avid supporter of Mma and I also train in it as we'll, and I urge you to please pass the proposed rules change. It will not only be safer to allow our younger fighters to fight locally instead of everyone having to make the long drive to Ohio. Not only is it costing our fighters to travel to Ohio to fight but our family and friends as well who we rely on for emotional support, which is much needed especially when your in another state. We are seeing less of our fans family and friends showing at these event in Ohio due to the costs alone. Not only will it help save our fighters there fans and family money, it will allow all the revenue that Ohio is currently generating by having more Mma events than any other state to stay in our state where the jobs and revenue are badly needed. Thank you for your time in reading this and I strongly hope you will pass the rule change.
