Dear Mr. Sumner

On behalf of the House Professional Licensure Committee, we are submitting the following comments on proposed Regulation 16A-6918: Continuing Education Audit and Enforcement.

1. The Committee requests an explanation regarding at what point in the biennial period the continuing education audits are expected to be conducted. Would a year or more of the licensure period pass before an audit and Act 48 (citation process) or other sanctions be imposed? How will the six month deficiency correction period be monitored?

Sincerely,
