Message:

Dear Mr.Sumner, I oppose Pa Core Standards because it will decrease my property values. I live in a "blue ribbon" school district and my resale value should reflect that. The PA taxpayer will be burdened with the costs of implementation, ie purchasing computers and so forth. Secondly, education should be of local control not federal control. Core Standards will dump down the students and propaganda will be allowed. This was foisted on the citizens and should be voted on at the ballot box.
