Message:

Mr. David Sumner, Executive Director of the IRRC. I am writing because of my concern of the PA Core Curriculum. The reference number is IRRC #2976, This curriculum is a one size fits all, unfunded mandate that I know our school district can not afford. We do not want the federal government to give the state or our school district money because they will have a say in our testing and therefore, curriculum. Please stop Common Core for the sake of our kids and local control of our schools.
