A new message has arrived from the IRRC Website

First Name: Barbara

Last Name: Armann

Company:

Email: chelsea_chablis@hotmail.com

Subject: Common Care

Message:

Dear sirs, I've educated myself on the Common Core curriculum and I highly oppose any schools implementing this. And I think it's absolutely disgraceful that anyone would even THINK about making our children subject to sort of thing. Why does this country want to dumb down future generations? I know it makes people easier to control and this has got to be the soul purpose for shoving this down our throats. Please stop putting this in our childrens schools! Thank you.
