Subject: IRRC Website - New Message

A new message has arrived from the IRRC Website

First Name: Jennifer

Last Name: Tamburro

Company:

Email: jentam2652@verizon.net

Subject: reject common core

Message:

the government should not be in charge of our children's curriculum at school. keep common core out of our schools so our children have a chance to learn and be the best they can be. Commonn core takes away the resources for receiving a true education by "dumbing down" students instead of challenging them and preparing them for the future.
