Subject: IRRC Website - New Message

A new message has arrived from the IRRC Website

First Name: Nancy

Last Name: Hratko

Company:

Email: hratko@ptd.net

Subject: Common Core

Message:

I prefer seeing parents and schools with more freedom of curriculum choice whereby we can evaluate the merits of different approaches. I understand that Common Core intends to allow freedom of implementation while streamlining the objectives of education. I can hardly envision success on a small scale let alone nationwide.
