A new message has arrived from the IRRC Website

**First Name:** Ronald

**Last Name:** Pfistet

**Company:**

**Email:** [ronpfist@comcast.net](mailto:ronpfist@comcast.net)

**Subject:** common core

**Message:**

I feel this is another over reach by the government. this is going to dumb down our curriculum and will will lose local control of our children's education. we must also protect the right to our privacy. our founding fathers would look at this as another attack on our freedom and liberty.
