A new message has arrived from the IRRC Website

First Name: vince

Last Name: gidias

Company:

Email: gidias227@comcast.net

Subject: stop common core

Message:

My name is Vince Gidias. I have 4 kids in Pa public schools. I am against the common core education system. I think the states should handle thier own education. From what I have read on common core, I am against MOST of it. Plaese do not enact this terrible ledgeislation. Thank You
