Subject: Keystone Graduation Exams - Vote NO please!

Dear IRRC – I am emailing to let you know that I am opposed to the Keystone Graduation Exams which you will be voting on Nov 21st. I stand with most of the 61 superintendents and all four intermediate unit directors serving students and taxpayers in Chester, Montgomery, Delaware, and Bucks counties in expressing my opposition to the Keystone Graduation Exams. More tests are not the answer for improving our educational system and our schools.

I look forward to hearing your position on these Graduation Exams, as well as the news that the IRRC has voted this short-sighted proposal down.

Sincerely,
