**Subject:** Information concerning the oppsition to the new Chapter 4 regulations

This information is provided as input that helps show the new PA Chapter 4 regulations are not only wrong for PA but conceptually wrong for the Nation.

I urge you to vote against the new Chapter 4 regulations for PA (Based upon Common Core) in your vote on November 21st.

Please find below a very compiling commentary from a client (a student) of public school in TN. It accurately reflects what students are saying from across the Commonwealth of PA.
