Subject: PA Core Standards

Message:

Dear Members and Staff, Please put a stop to the implementation of Pa Core Standards immediately. First and foremost, no one can determine how much it will cost. Our school districts are already plagued with budget problems and are trying to deal with the imminent pension crisis. Pa Core Standards are nothing more than another unfunded mandate. No one can confirm how much the implementation will cost. How can we implement something without knowing how much it will cost? This is senseless and dangerous. There is no evidence that the new standards will help because they have not been tested. Irregardless, THE COST OF IMPLEMENTATION CANNOT OUTWAY ANY SUPPOSED, UNGUAREENTEED IMPROVEMENT. Please allow change to come from the local level. One size does not fit all! Sincerely, Jeanette Snyder
