Subject: Stop the PA core standards

Message:

Please put a stop to the implementation of Pa Core Standards immediately. First and foremost, no one can determine how much it will cost. Our school districts are already plagued with budget problems and is trying to deal with the imminent pension crisis. Pa Core Standards are nothing more than another unfunded mandate. No one can confirm how much the implementation will cost let alone remediation. How can we implement something without knowing how much it will cost? This is senseless and dangerous. This will not help our children more in schools!
