A new message has arrived from the IRRC Website

First Name: Michael

Last Name: Shingler

Company:

Email: mshingler1@gmail.com

Subject: common core

Message:

Please stop the implementation of common core in PA now. This plan represents an increased level of control by the federal government over educational choices and decisions that should be made at the local level. It forces unnecessary further testing and increased cost on the education system, none of which has any proven, positive impact on the outcome of education.
