A new message has arrived from the IRRC Website

**First Name:** Michael

**Last Name:** Buzin

**Company:**

**Email:** [michael\\_r\\_buzin@yahoo.com](mailto:michael_r_buzin@yahoo.com)

**Subject:** Common Core

**Message:**

I am requesting that you stop implementation of Common Core. I have been exhaustively reviewing what these "standards" would do to our kids' education and privacy as well as the burden it will surely put on tax payers who are already strapped financially in this uncertain economy. Education without local representation is not okay. It usurps the rights of parents and taxpayers everywhere. There is a better way to reform education. Thank you.
