A new message has arrived from the IRRC Website

**First Name:** Joan

**Last Name:** Adam

**Company:**

**Email:** [joralph@verizon.net](mailto:joralph@verizon.net)

**Subject:** Core Education

**Message:**

Why do we need to go global on education? This requires many more teachers to supervise and assist the students taking these 5 to 7 hour long tests and many millions to implement. Don't we taxpayers have enough to pay for --where are we going to get many more millions? I don't like going global. We are America. We need to do our own thing!
