A new message has arrived from the IRRC Website

First Name: Margaret

Last Name: Richey

Company:

Email: jrichey@csonline.net

Subject: IRRC Number 2976

Message:

I am against any more federal involvement in our education system. The education of our children should be overseen by parents and local school boards. Pushing through this initiative during the Presidential election when people are otherwise occupied is underhanded. The people are wise to your tactics and we will not submit our children to such disgraceful legislation.
