Subject: Proposed Changes to Chapter 4 Regulations of Keystone Exams

2012 NOV -5 PM 1: 51

Respected Sir, Madam,

I am a resident of the Tredyffrin/Easttown School District, and I am writing to express my concerns about the proposed changes to Chapter 4 regulations regarding high school graduation requirements. Students in Tredyffrin/Easttown School District have historically experienced high degrees of success in college and the workplace, and I am concerned that the addition of high-stakes exit exams may have the unintended consequence of hindering students who are proficient but do not always demonstrate the fullest extent of their skills in a traditional testing environment. Beyond my opposition to the concept of graduation exams, I am further concerned by the following components of the proposed regulations:

- * A Civics and Government exam will require expensive restructuring of high school curricula across the State because many local districts will need to move the related course out of the junior or senior year to an earlier year. The costs to local taxpayers for textbooks alone may exceed \$100,000 to facilitate such a change.
- * The requirement of three years of instruction prior to an alternative assessment places an undue burden on students, limits their ability to choose other courses, and could harm the college admissions process.
- * Will this unfunded mandate permit flexibility for high-performing schools with a record of success and also provide additional support for struggling schools? Is this another State remedy that assumes "one size fits all?"
- * Our school district is struggling with financial "sustainability" as the State continues to reduce its contributions to local districts, places limitations on district's ability to raise revenue, and then adds another layer of financial cost with no state assistance.
- * We have a system which has yielded great results in our

As a result, I urge you to amend the proposed Chapter 4 regulations to reflect these concerns. Thank you.

Sincerely,

Nita
