I received the notice, that today, is the last day to comment on this matter. I had to take the time out to let you know I am against all this loss of control we will face if this 2976 is pushed through. I guess many people are too busy to be able to get this done today, as the election is tomorrow. How convenient is that! I strongly disagree with this and say VOTE NO!! This is short, but my time is valuable, and I'm letting you know how wrong this action is, as this is so disturbing to even have to worry about.
