Subject: IRRC Website - New Message

A new message has arrived from the IRRC Website

First Name: Amy

Last Name: Clemente

Company:

Email: amy.clemente@comcast.net

Subject: standards

Message:

I am totally against implementing the new standards in Pa. We should not be accepting Federal funds, that are coming from Mr. Gates or anyone else. The education of our children is critical I agree. This is not the way. Research how things were done when we actually were a productive, successful nation.
