Subject: FW: PA Department of Revenue final-omitted rulemaking #2978 "Payments by Electronic Funds Transfer" (IRRC #2978)

In response to your request for the Pennsylvania Institute of Certified Public Accountants' (PICPA) comments on the Department of Revenue final-omitted rulemaking "Payments by Electronic Funds Transfer" (EFT) (IRRC #2978), please be advised that the PICPA Regulations Subcommittee has reviewed the proposal and has no comments at this time. The amendments of the regulation merely implements the recent law change that permits the Department to require EFT payments of \$10,000 or more. Under current law, the threshold is \$20,000 or more.

Thank you and please do not hesitate to contact me with questions.
