Importance: High

Dear Ms. Montgomery,

I am writing to express my displeasure about the proposal to increase the biennial license renewal fees for the March 1, 2015 renewal date. That change would increase fees from \$75 to \$115 for licensed social workers, licensed clinical social workers, licensed marriage and family therapists, and licensed professional counselors, which would be a hardship for some who work in non-profit sector agencies and/or are part-time. I ask that you oppose the fee increase proposal, allowing the existing \$75 renewal fee to continue.

Thank you for your consideration.
