Subject: Please forward to Cynthia Montgomery, Regulatory Counsel

Dear Ms. Montgomery,

It has just come to my attention that there is a proposed increase in the fee for licensing. I have searched online for information about this, and can't find anything... I would appreciate any link or information that you may be able to provide. My basic question is concerning why this fee is being raised, and at such a significant rate.

Thank you for your time and attention,
Deborah Wiley
