Dear Cynthia Montgomery et.al:

I am writing to oppose a higher fee for social work licensure. The fee is steep as it is and I am sure you are aware that social workers are not highly paid individuals! Most of us are dancing as fast as we can to keep up with cost of living and rising health care costs. We take jobs of service that not NOT highly profitable such as lawyers, business persons, or the like. I have to pay for 30 credits of education in my field every 2 years and those costs are also rising. PLEASE give us a break here!

Thank you for your time and attention,

Sinikka Davis, MSW
