Regulation No. 16A-4938 (#2989)
State Board of Medicine
Conform CRNP Provisions to Statute

On March 4, 2013, the Independent Regulatory Review Commission (Commission) received this regulation from the State Board of Medicine (Board). This rulemaking amends 49 Pa. Code (§§ 18.21–18.111). Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This rulemaking deletes regulations which were jointly promulgated by the Board and the State Board of Nursing, and have been superseded by Act 206 of 2002 and the State Board of Nursing's adoption of regulations for certified registered nurse practitioners.

We have determined this regulation is consistent with the statutory authority of the Board (63 P.S. § 422.8, 63 P.S. §§ 212.1(k) and (l) and 218.1-218.3) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

Silvan B. Lutkewitte, III, Chairman
