Mr. Silvan B. Lutkewitte, III  
Chairman, Independent Regulatory Review Committee  
333 Market Street, 14th Floor  
Harrisburg, PA 17126

Dear Mr. Lutkewitte:

I am writing to ask for your support of the final-omitted regulation in Chapter 31 which clarifies the regulation that postsecondary private licensed schools in Pennsylvania may measure academic progress in either clock or credit hours. This change is in line with PHEAA and Private Licensed School regulations. This change will provide a standard and consistent approach to academic measurement among all regulatory entities in the Commonwealth in which is needed.

It is important that this occur for the benefit our students. Your help with this is greatly appreciated.

Sincerely,

Nancy M. Decker
