Subject: RE: Department of Community and Economic Development Proposed Regulation #4-96 (IRRC #3014): "Manufactured Housing Improvement"

2013 JUL 15 AM 11: 06

Michelle: We have reviewed the proposed regulation by the Department of Community and Economic Development #4-96 (IRRC #3014), the proposed changes to Chapter 149 of 12 Pennsylvania Code, "Manufactured Housing Improvement", and found no issues with it. We support the proposed changes and believe they are reasonable and in agreement with the Pennsylvania Construction Code Act (Act 45 of 1999, as amended).

We appreciate the opportunity to comment on these proposed regulations, and look forward to working with IRRC in the future. If you have any questions, please do not hesitate to contact us. Elam
