John Mizner, Chairman
Independent Regulatory Review Commission
333 Market Street, 14th Floor
Harrisburg, PA

Dear Chairman Mizner,

I am writing in opposition to final regulation #57-298 and would urge the commission to disapprove the regulation at your upcoming meeting on April 16, 2015.

After meeting with several moving companies in my district, I was made aware movers need not have a physical location within the Commonwealth to do business. This seems unfair and unreasonable for new entrants into the industry not to be under the same regulations as existing movers located in Pennsylvania. Our legal movers in Pennsylvania have conducted their businesses within the scope and boundaries of our laws and rarely have formal complaints filed against them. This regulation would be detrimental to the moving industry and could force many of our local movers out of business. For these reasons, I would urge you to disapprove final regulation #57-298.

Thank you for considering my comments.

Sincerely,

Julie Harhart, State Representative
183rd Legislative District
