IFA Supports Proposed Rulemaking Changes - Household Goods in Use and Property Carriers

Office of the Secretary
Pennsylvania Public Utility Commission
PO Box 3265
Harrisburg, PA 17105-3265

L-2013-2376902

To Whom It May Concern:

On behalf of the International Franchise Association (IFA) representing franchisors and franchisees, who collectively employ 662,000 workers in Pennsylvania, we applaud the Public Utility Commission's plans to revise the rules regulating use and property Carriers.

The IFA prides itself in "[b]uilding local businesses, one opportunity at a time." However, under Pennsylvania's current rules, many businesses are unfairly restricted from operating in the Commonwealth and creating new jobs. We strongly support efforts such as yours, which encourage consumer choice, rather than the government picking favorites in the marketplace

Thank you for your consideration in this matter and please do not hesitate to contact me if I can provide any additional information.

Sincerely,

Dean A. Heyl
